-
14. The same procedure is to be followed to install all the other HP Deskjet III2ink cartridges.
 15. Now take enough US letter or A4 paper in the tray once the installation is completed.
 16. To place paper in the tray, open the input tray of the printer and make sure that you have placed similar paper type.
 17. The paper should be placed in a way that the short edge is placed forward and the print side facing down.
 18. You have to slide the stack into the tray as much as you can. Subsequently, push the paper width guide to the right until it fits at the edge of the paper.
 19. Close the output tray and drag out the output tray extender. Now it is a time to align the ink cartridges.
 20. It is generally encouraged to maintain the best print quality and to get the best results out of your printer.
 21. To print the alignment page, lift the scanner lid and place the alignment page in a way that the print side is facing down on the scanner glass.
 22. Make sure that it is positioned based on the engraved guides present around the glass and then close the scanner lid.
 23. Choose the Start Copy Black or Start Copy Color option from the printer's control panel.
 24. After assembling all hardware, you have to install the HP Deskjet III2software to get started.
 25. The correct software is to be installed. Use our manual to know the compatibility.
 26. If you have an installation CD, all you have to do is to just place it on the drive.
 27. Let it save, run, and installHP Deskjet III2 Printer. You can choose the location where you want the driver and the software to be installed.
 28. If you want to get the latest driver from website, search for the suitable
